OXFORD DEMOCRAT. IS PRINTED AND PUBLISHED EVERY TUESDAY BY

G. W. MILLETT. TERMS-One dollar and fifty cents in advance The dollar & seventy-five cents at the end of 0 months. Two dollars at the end of the year.

On so much of that portion of the Governor's

berland speculation. Temptations too strong ing their buisness at home !" to be resisted were offered by their eastern But large tracts of land were purchased in fact, Sir, there was said to be a general com- preciating in its nominal value, and its rents or surs of 1819, a rapid increase of banking estabfriends! Terms of payment were liberal, the Canadas, for which the "gold and silver" and prices so low that men of small means were were promptly paid. But what is the situation able to purchase large quantities; and as both of the purchasers? What is the situation of land and lumber were rising rapidlly in value, the wholesale speculators generally? A wonthose who wished to sell, in a short time, realiz- derful change has come over the spirit of their the atlantic cities of the United States! at the rate of ten, fifty, or one hundred thous- largely, are now standing—almost all have gone and dollars on a township. These lucrative down in splendid poverty.—Great losses have operations stimulated others to commence the been sustained, and great suffering has been the tlemen rise early, snatch their breakfast, hurry good as 'old gold;' and whose makers have three years; consequently there followed the same traffic, and their efforts were attended consequence. with similar success. Here was opened a new What is the situation of Bangor? But two field for enterprise -a field from which all who years have elapsed, and what a change! That traffic of Pearl Street, all the long Summer's would put in the their sickle, could reap a gol-city is still rich in lands and stone, bricks and day, and come home in the evening almost too den harvest! Money could be obtained with-morter; but these, like the numerous "whig" weary to eat or speak; while their wives for out labor, and as credit was fully extended to candidates for the Presidency, are not "availa all, but little enpital was necessary.—The con-ble"! And its inhabitants, if the "whig" newssequence was that regular business, mechanical, papers are to be taken as authority, have, during mercantile, and professional, was, by many the past season, actually suffered for want of given up, or considered a secondary object. food! And for these among other evils, result-All classes of the community ran into all man-ing from wild and visionary speculation, our ner of extravagance in dress, equipage, and chief Magistrate would hold our rulers accountstyle of living. Every man was ambitious to able. Can any thing be more preposterous? distinguish himself-to make a sensation in the Sir, it is to me a matter of surprise, that so circle in which he moved.
